

OKI® C5150n

Digital Color Printer

Two printers in One

Highlights:

Cost-effective solution for color and monochrome letter/legal/A4 printing needs

Single Pass Color™ Digital technology for printing up to 110 lb. card stock and banners up to 4 feet

Color output at up to 12 ppm; monochrome at up to 20 ppm¹

Time to first page as fast as 14 seconds color, 9 seconds mono¹

Space-saving footprint for desktop use

Convenient operator panel enables printer and network settings changes

Network connectivity standard

Paper capacity expandable to 930 sheets

2-piece consumables for ease of use and low Total Cost of Ownership for color and mono

1200 x 600 dpi resolution

Optional Duplex (2-sided) printing²

1-Year limited warranty with Overnight Exchange on printer³; 5-Year limited warranty on LED printheads

Live, toll-free technical support 24x7x365³

¹ Published performance results based on laboratory testing. Individual results may vary.

² Requires minimum 64 MB RAM for optimum duplex performance.

³ Available in the U.S. and Canada only.

Brilliant print quality, fast speed and cost-efficiency in both Color and Black & White

Here's an affordable digital color desktop printer that's network-ready and engineered for greater productivity.

For professionals who keep a close eye on their image as well as the bottom line, the compact OKI® C5150n Digital Color printer is like two printers in one.

It combines fast, high-quality OKI color and monochrome output with a low purchase price and low cost per page, so it can take the place of slower color inkjet and mono machines—and stretch your budget.

The OKI C5150n printer turns out up to 12 full-color and 20 mono pages per minute, with the first color page printing in just 14 seconds, the first black & white page in as little as 9 seconds.¹ And those are crisp, bright pages at 1200 x 600 dpi.

Increasing your productivity. The OKI C5150n has a standard paper capacity of 400 sheets (300-sheet paper tray and built-in 100-sheet multipurpose tray for labels, envelopes, transparencies, and card stock up to 110 lb.) That can expand to 930 sheets with an optional 530-sheet 2nd tray—and more sheets means fewer user interventions.

What's more, with an OKI C5150n you can print on banner-size sheets up to 8.5" x 47.24" in length. And, with its optional duplex², you can produce 2-sided pages at close to rated engine speeds.

Connectivity simplified. With high-speed USB connectivity, your workgroup can share the advantages and efficiencies of this productivity-enhancing printer. An internal OkiLAN® 10/100 Base-T print server enables industry-standard network protocols and enhances network management through access to printer menu settings.

Unmatched warranty support. OKI is so confident in the reliable performance of the C5150n that we provide an industry-leading 5-year warranty on the four color printheads, and a 1-year limited printer warranty with Overnight Exchange and optional coverage extensions.³

Of course, if you need technical assistance, you can speak to a live OKI expert—24x7x365—by calling 800-OKI-DATA (800-654-3282).³

If you're looking for a flexible, highly talented printer that can do it all, don't compromise. The C5150n from OKI is the perfect choice.

COMMAND
PERFORMANCE™

OKI® C5150n

Digital Color/Mono Printer

Specifications

Performance

- **Print Speed:** Up to 12 ppm Color; up to 20 ppm Mono¹
- **Time to First Page:** 14 sec. Color; 9 sec. Mono¹
- **Print Resolution:** 1200 x 600 dpi
- **Processor:** 200 MHz
- **Duty Cycle:** Up to 50,000 pg./mo.

Productivity Solutions

- **Web-based Printer Management:** PrintSuperVision™ and OkiLAN® Embedded Web Server

Compatibility

- **Standard:** Enhanced Windows® Printing (with Mac® support through supplied drivers)

Connectivity

- **Network Interface:** OkiLAN® 10/100 Base-T Internal Ethernet Print Server
- **Local Ports:** USB v2.0

Memory

- **Standard:** 32 MB
- **Maximum:** 288 MB

Resident Fonts

- **Scalable:** via Windows

Paper Handling

- **Paper Input:** 300-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray standard; 930 sheets max. with optional 530-sheet 2nd paper tray
- **Multi-Purpose Tray:** Standard 100-sheet; handles overhead transparencies, envelopes and mailing label stock, banners
- **Automatic Duplexing (2-sided printing):** Optional
- **Paper Weight:** Main tray 20 lb.–32 lb. bond; optional 2nd Tray 20 lb.–47 lb. bond; manual feed 20 lb. bond – 110 lb. index card stock; optional duplex 20 lb.–28 lb. bond

Environmental

- **Size (WxDxH):** 16.7" x 22.1" x 13.6" (42.5 cm x 56.1 cm x 34.5 cm)
- **Weight:** Approx. 57.3 lb. (26.0 kg)

Supplies

- **Toner Cartridges:** Separate Black, Cyan, Magenta, Yellow
- **Toner Cartridge Life:** 5,000 pages at approx. 5% density²
- **Image Drums:** Separate Black, Cyan, Magenta and Yellow
- **Image Drum Life:** Approximately 15,000 pages³
- **Transfer Belt:** Average life 50,000 letter-size pages³
- **Fuser Kit:** Average life 45,000 letter-size pages

Warranty

- **Printer:** 1-Year limited with Overnight Exchange⁴
- **Digital LED Printhead:** 5-Year limited warranty
